Overview

Title: Tatyana Grosman and ULAE collection on Robert Rauschenberg

Identifier: ACC44

Content Description: Digital surrogates of press clippings, ephemera and photographs, and a small selection of other records such as correspondence and financial information related to Robert Rauschenberg in the collections of the Tatyana Grosman and ULAE archives.

Provenance: Digital surrogates were created by the Rauschenberg Foundation archives staff in February 2019, at which time the Tatyana Grosman and ULAE archives were unprocessed. Original materials belong to the records creator(s)/donor.

General Note: Original boxes and folders were not photographed in their entirety; only items deemed of potential interest that did not duplicate known Foundation holdings were photographed.
